

EA 2026

Emerging Adults on the Road to Maturity
June 29 - July 1, 2026

WITH GRATITUDE TO THE EA2026 ORGANIZING COMMITTEE AND VOLUNTEER TEAM

Emerging Adults on the Road to Maturity | Poznań, Poland | 29 June - 1 July 2026

“Conferences are remembered not only for what was said, but for how people felt invited to belong.”

Dear Members of the Organizing Committee, Dear Voluntares,

Thank you for the **dedication, patience, creativity, and heart** you brought to EA2026. Your work turned plans, messages, rooms, schedules, materials, and countless small details into a real meeting of people.

A conference is never created only by its programme. It is created by **hospitality, clarity, calm decisions, practical help, readiness to solve problems, and the kindness** shown to participants at the very moment they need it.

Thanks to you, EA2026 became a space for lectures, poster conversations, keynote reflections, networking, and friendship - but also a space in which people could feel welcomed and encouraged to share their work.

So much of organizational work happens behind the scenes. It often means answering one more message, checking one more room, correcting one more document, helping one more person, and doing it all with grace. Please accept our heartfelt thanks for this **visible and invisible service**.

The special atmosphere of EA2026 was not accidental. **It was created by people - by you**. Thank you for building a community that motivates us to continue growing together.

with heartfelt thanks

Anna Wieradzka-Pilarczyk
